

Mt. Carmel, Utah,
April 9, 1935.

Mr. T. H. Humpherys, State Engineer,
Salt Lake City, Utah.

Dear Sir:

In response to your request to Walter S. Carpenter he and Joseph F. Smith of Glendale, LeGrande C. Heaton of Orderville and Birt Gardner of Mt. Carmel, all met in Orderville to make recommendations for the assessment roll in this the Long Valley Dis. for the year 1935. The Muddy Irrigation Company was specially requested to send someone to represent them at the meeting. But for some reason they failed to comply with this request.

We estimated that the cost of distributing the water would not be as great this season as it was last year owing to the fact that there appears to be a somewhat more plentiful water supply in prospect than there was at this time last year.

We decided to recommend a budget for 1935 as follows:

Commissioners Salary	\$90.00
Bond	5.00
Insurance	2.50
State Engineers Office	5.00
TOTAL - - -	\$102.50

We decided to recommend a basis of assessment as follows

P
Priority 1865 - 1890 \$2.50 per sec. ft.
Priority 1890 - 1900 2.25 per sec. ft.
Priority 1900 - 1934 .50 per sec. ft.
No assessments levied of less than .50¢

The water .09 c.f.s. that is assessed on the 1934 budget to W. S. Carpenter is now being used to supply culinary water to the town of Orderville through their pipe line system and should be assessed to Orderville Pipe Line Company or stricken from the list.

The Muddy Irrigation Company has contended that they should not be required to pay this assessment for the hiring of a Commissioner owing to the fact that they have not received any direct benefit from his services. Mr. Heaton sent them word to come and present their case, but none of them showed up and the rest of us decided in their absence that they ought to pay their share with the rest of us.

The rate of assessment we have recommended above doesn't leave much margin in case there should be a large percentage of uncollected items. But we will try to collect back assessments etc., enough to keep it from falling far short, if this meets your approval.

Yours truly,

Please send us a copy
of the new list when
you get it made out.

Birt Gardner
